

# Jungle Rain

F Bdim Gm7 Bbm

No stars above, no one to love

F Bdim Gm7 C9 F

I'm lost in a cold jungle rain

F Bdim Gm7 Bbm

No arms to hold. lonely and cold

F Bdim Gm7 C9 F

Wishing you'll be kind jungle rain

Cm7 F9 Bbm C F

Then all at once the clouds roll by

Bb Bbm7 Gm7 C C7

I know somehow you'll make my dreams come true

F Bdim Gm7 Bbm

I found my love and in my heart

F Bdim Gm7 C9 F

Goodbye, fare thee well jungle rain

end: Goodbye, fare thee well jungle rain

Goodbye rain jungle rain

Goodbye rain jungle rain
