Tips to Play Along with Others

Island Strummers

Island Strummers + Others

**Enhance
Your
Strum
i.e. Fan/Chuck/etc.**

Uke as Percussive Instrument

Uke as Percussive Instrument

**Tap... like
A drum**

Uke as Percussive Instrument

- Be careful. Don't damage your uke.
- Works well with small group
- In large group, not so well unless amplified
- Don't get in over your head. Practice by yourself first.
- Keep it simple, 'beat' typically keeps the group together. Don't throw players off with your percussions
